Subject: draft talking points for David Ross briefing (deliberative/attorney-client privilege)

Importance: High

Below are potential talking points for Jeaneanne's consideration for the briefing scheduled with David Ross on June 16. As we still are not clear on how exactly the consultation process would work, the goal of the bullets below are to at least cover the basics of what we know, including the issues we would need to work through. Please share any suggested edits or additions, if possible by noon on Monday, June 15. Thanks! Tom
